

# LADA VESTA SW

## **FRIEND.** AN ASSISTANT. COMPANION

Horizon. The misty shore of a big lake. Waves on a wheat field and serrated line – the border between the forest and the sky. Space, vastness, and freedom – I love them, I need them like air. So my personal piece of the big world is always with me. And there is enough room for all my loved ones. Because my car has a lot of space to live in. Sports design. Outstanding practicality of a car for family and journeys.
